To the Infrared Heating Trade Association,

Statement of Commitment

Through our application for Membership in the IRHTA ("the Association"),

is demonstrating our commitment to advancing responsible ethical, and quality practices in the domestic and commercial infrared heating.

commits to:

- Support the Mission of the Association;
- Promote Association Membership and compliance with the Principles and Code of Practices;
- Educate our members about the responsible ethical, and quality practices in domestic & commercial infrared heating.
- Comply with the Rules adopted by the Council for the use of its logo and intellectual property.

We agree to provide commercially sensitive information to the Council where such information is needed by the Council for operational, legal or other reasons, and understand that such information will be kept confidential and will never be disclosed to other Members of the Council. We understand that Association Membership in the Council does not entitle our association to authorise its individual members to use the Council's logo or other intellectual property.

We are not currently engaged in any activity which would be likely to bring the Council into material disrepute, and we accept that Membership of the Council may be withdrawn or suspended if we fail to comply with the undertakings given by us or in any other way our actions or omissions threaten to bring the Council into material disrepute.

We agree to the name of our association being listed on the Council's website if it is accepted as a Member.
